This is in response to the letter dated January 14, 2013 regarding the refund to S.W. Barrick & Sons. Prior to January 2012 all reports were prepared by a volunteer with no previous experience or knowledge of FEC regulations. As of January 2012 we engaged a professional CPA firm to handle all accounting and reporting functions of the Campaign to the FEC. The firm reconciled our bank accounts for 2011 and 2012. During this process the contribution from S.W. Barrick & Sons was recognized and disclosed in the amended report FEC-793565 for period ending 3/31/11 which was filed on 7/6/12. The contribution was subsequently refunded on 7/12/12 with check number 458 and this disbursement was disclosed

on the report FEC-817831 for period ending 9/30/12 which was filed on 10/15/12.
